5. Viewing Guide

KPS 2021 ANNUAL MEETING (ROOM A)

‘Close’ button

- 모든 세션 시작 및 종료 시 Check In, Check Out 버튼을 클릭 하여야만 해당 시간만큼 출석이 인정 됩니다.
- Check Out 시간 이후에는 Check Out 이 불가능하니 유념하시기 바랍니다.

Background

- Pain as “subjective sensation”
- Assessment of pain is largely dependent on subjective methods.
 - Numeric rating scale (NRS), Visual analogue scale(VAS), etc.
- In recent, the PainVision[®] system has been introduced as an objective pain degree measurement tool using an electrically quantified pain degree (QPD).
- The purpose of the study is ***to analyze the correlation between the QPD and NRS and to evaluate the difference in QPD depending on whether the pain was present or not.***

6. Poster

The screenshot displays the KPS 2021 Annual Meeting website. At the top, the event title 'KPS 2021 ANNUAL MEETING' is prominently featured, along with the dates 'November 20(Sat) - 21(Sun), 2021' and the venue 'Swiss Grand Hotel, Convention Center, Seoul, Korea'. Below this, a 'Poster' section is visible, which includes a table of poster categories. The categories are: Pain research (animal study, neuroscience, big data study, epidemiological study, etc.), Cancer pain & postoperative pain, Neuropathic pain, CRPS, and dysfunctional pain, Spinal pain, and Headache & facial pain. Under each category, there are sub-categories: Interventions, Diagnosis, Ultrasound, Complications & pharmacology, and Miscellaneous issues. A red box highlights the 'View' button next to the first poster entry, '(P-42) Comparison on healthcare utilization patterns by pain treatment method: A nation-wide claims database analysis'.

7. Live Web Seminar FAQ

Q1 How do I log-in for virtual platform?

A You can log in with **email address as ID** and **last 4-digit of your mobile number as Password**. Then you can watch live streaming of Scientific Meeting / Training Conference.

Q2 Where can I find 'Abstract Book'?

A You can download it by clicking "**Abstract Book Download**" in the right side on **Main page**. (Refer to the page 4 of this manual.)

Q3 Buffering occurs while watching video. What should I do?

A If the video is disconnected, please press F5(Refresh) key or close the lecture window and enter(log-in) again. For smooth and uninterrupted viewing, we recommend the latest Chrome browser and wired network.

Q4 What can I do when I can't log in or watch the video?

A Please note that this virtual platform is optimized for Google Chrome Browser.

Q5 I can't hear the sound well as it is heard too quiet.

A All microphones on the studio are set to maximum level. Please adjust the volume of the connected device (PC, Mobile, ...)

Q6 Definition for streaming is not clear.

A Streaming is transmitted in FHD(1080p), which is a general monitor resolution, and when you connected for the first time, streaming will be started as low definition and gradually improved as per speed of your internet. If it is not improved beyond average state, please access the platform in a more stable environment(wired internet connection)

Q7 How Can I issued 'Certificate of Completion'?

A Please note that the certification will not be issued this year.
